MATH
the only subject that counts 

Everything we do for HONORS ALGEBRA 2 is based on our Learning Targets.

Proficiency Scales – AKA “How we grade”

Score	Meaning	Rationale
M	Missing	No attempt or absent
5	Incomplete	Student has not provided enough evidence to determine proficiency.
6	Not Yet	Student has provided some evidence, but not enough to prove understanding of content.
7	Emerging	Student shows evidence of an emerging understanding of learning target.
8	Proficient	Student has provided proficient evidence of understanding
9	Advanced	Student has provided outstanding evidence and fluent understanding of learning target.
10	Mastery	Student has demonstrated, on a variety of opportunities, the highest level of conceptual understanding.

Log in to your A2H
Google Classroom!

This will be your go-to spot for assignments, important announcements, resources, printable papers, and much more.

Learning Targets: The goal of the course is for students to demonstrate proficiency on all Algebra 2 Learning Target. All students will be offered a variety of opportunities to show proficiency on all learning targets.

Participation, Practice and Perseverance: “The only way to learn mathematics, is to do mathematics.” Paul Halmos (mathematician). Math is not about numbers and equations, it is about patterns and understanding the connectedness of all things. In order to be proficient in all things Algebra, students will need to participate, practice and persevere.

Check Your Understanding

CYU's will be posted in Google Classroom for every section.

It is the responsibility of each student to complete the CYU and check answers provided. Opportunities for discussion will be given regularly.

Daily Supplies

- 1) One spiral notebook for math
- 2) Pencils (or pens)
- 3) CHARGED Chromebook
- 4) Folder/Binder for math papers
- 5) Ear buds
